**MEMORANDUM FOR: Assistant Deputy Director (Plans) for
Psychological and Paramilitary Operations**

SUBJECT: Contingency Forces

1. Attached herewith are two papers related to the contingency force. The first paper is a memorandum dated 12 June 1958 which explained the concept of the contingency force and requested comments by the addressees. The second paper is a proposed regulation. This paper was coordinated throughout the Agency until it reached the office of the Inspector General. He stated that he did not feel that it was necessary to issue any regulation and that the purpose could better be served by appropriate memoranda. Mr. Bissell concurred with Mr. Kirkpatrick's view. However, the proposed regulation may be helpful to you in explaining how the contingency force operates.

2. I will be glad to furnish any other information on the subject that you may desire.
